Remarks: Simultaneous Interpretation (SI) services will be available to participants throughout the CEO Conference.

Further details regarding the conference agenda: <https://www.aesieap.com/agenda>

2. Pre-departure

Visa & Immigration Requirements

Delegates must ensure they possess valid travel documentation to enter Hong Kong. Most foreign nationals enjoy visa-free entry for tourism or business visits ranging from 7 to 180 days, depending on nationality.

- **Visa & Pre-arrival Checking:** To check your specific entry eligibility and visa requirements, please visit the official HKSAR Immigration Department Portal - https://www.immd.gov.hk/eng/services/index.html#tab_f_1. Please note that certain nationalities (such as Indian nationals & Taiwan residents) are required to successfully complete a mandatory Pre-arrival registration (PAR) online prior to departure.
- **Passport Validity:** Passports must have a minimum validity of one month beyond the intended period of stay in Hong Kong, though carrying a passport valid for at least six months is highly recommended.

Arrival Declarations & Supporting Documents

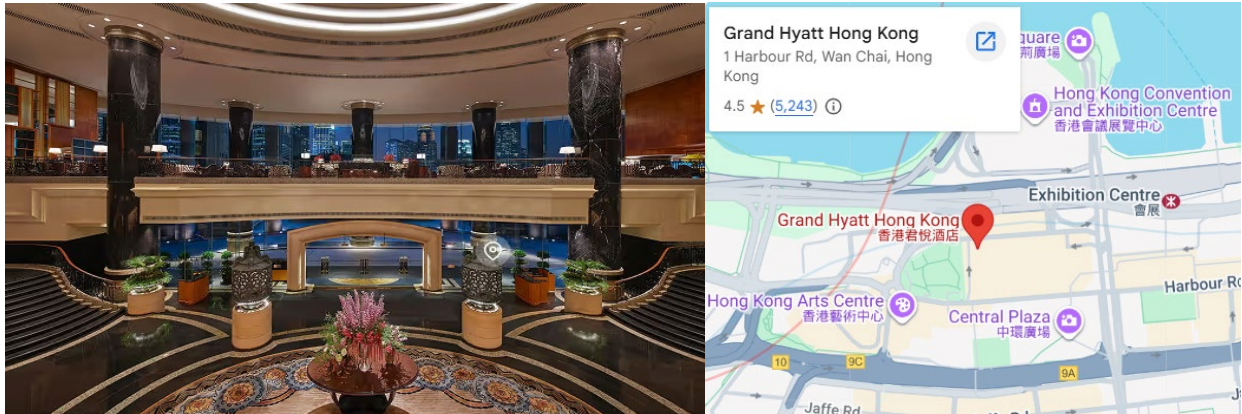

- **Immigration Clearance:** Hong Kong has permanently eliminated all physical and digital arrival card requirements. Upon landing, you may proceed directly to immigration clearance without filling out any entry forms.
- **Supporting Documents:** Delegates are advised to carry an official letter of invitation issued by the AESIEAP Secretariat / CLP Power to present at immigration clearance if requested.

Weather & Climate Expectations

Hong Kong in mid-September is characteristically warm and humid, with average temperatures hovering between 26°C and 30°C (79°F–86°F). Occasional tropical showers or thunderstorms are common during this seasonal tail-end. All indoor conference venues are fully air-conditioned; maintaining a light business jacket or blazer is advised for comfort. Further details regarding weather updates and contingency arrangements will be shared via email closer to the event.

3. Getting to the Venue

The Grand Hyatt Hong Kong is prominently located along the vibrant waterfront of Hong Kong Island in the Wan Chai district, directly overlooking Victoria Harbour. The hotel is highly accessible via multiple modes of transport:

Grand Hyatt: <https://www.hongkong.grand.hyattrestaurants.com/grand-hyatt-hong-kong-compedium/>

From Hong Kong International Airport (HKG)

- **By Taxi:** Taxis are readily available at the airport's Ground Transportation Centre. A direct taxi ride to the Grand Hyatt Wan Chai takes approximately 30 to 40 minutes.
- **By Airport Express:** Take the Airport Express train from the airport terminal to Hong Kong Station (approx. 24 minutes). From Hong Kong Station, delegates can take a short taxi ride or transfer to the MTR Island Line to Wan Chai Station.

Via the Mass Transit Railway (MTR)

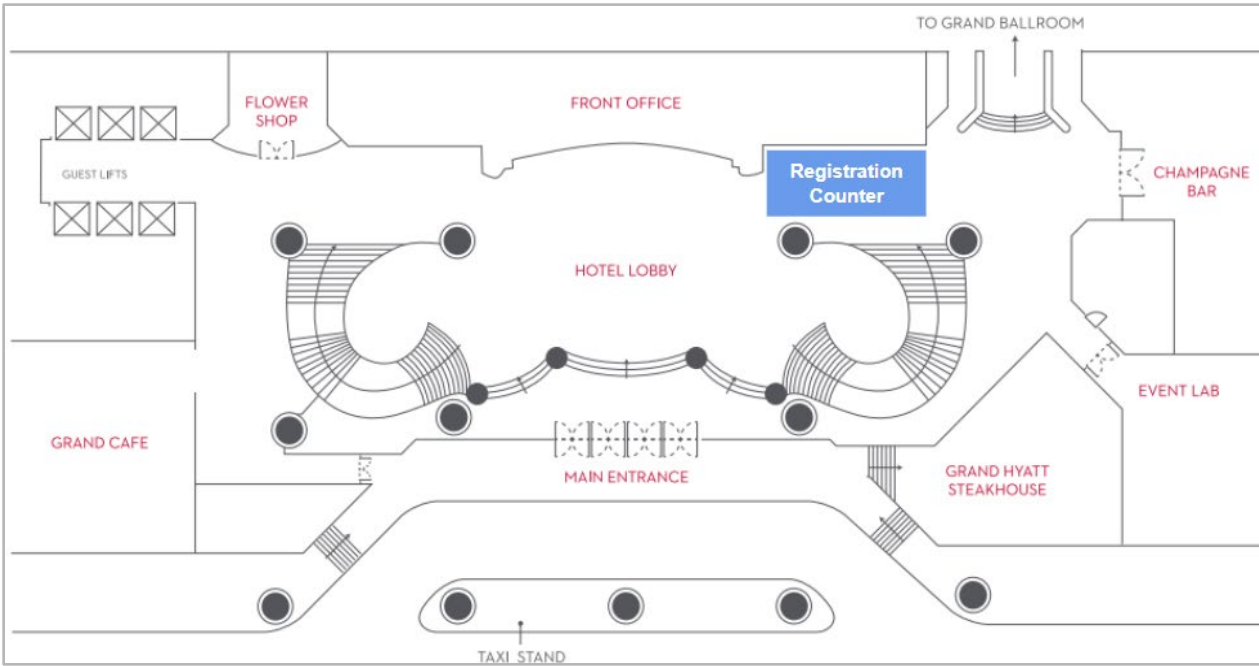

- **Exhibition Centre Station:** Alight at Exhibition Centre Station on the East Rail Line. Take Exit B3, which connects directly via an elevated covered walkway system, leading to a convenient 5-minute walk to the hotel entrance.
- **Wan Chai Station:** Alight at Wan Chai Station on the Island Line. Take Exit A5 and follow the footbridge signs toward the Hong Kong Convention and Exhibition Centre (HKCEC)

4. Registration Details

Registration Desk & Check-in Location

The main registration and hospitality counter will be situated at the Grand Ballroom Foyer on the **Lobby Level** of the Grand Hyatt Hong Kong. All attendees must register in person to secure their official delegate badge.

Start Date	Registration Hours	Check-in Location
Mon, 14 Sep 2026	From 3pm to 8pm	Lobby, Grand Hyatt Hong Kong
Tue, 15 Sep 2026	From 8am to 9am	Lobby, Grand Hyatt Hong Kong

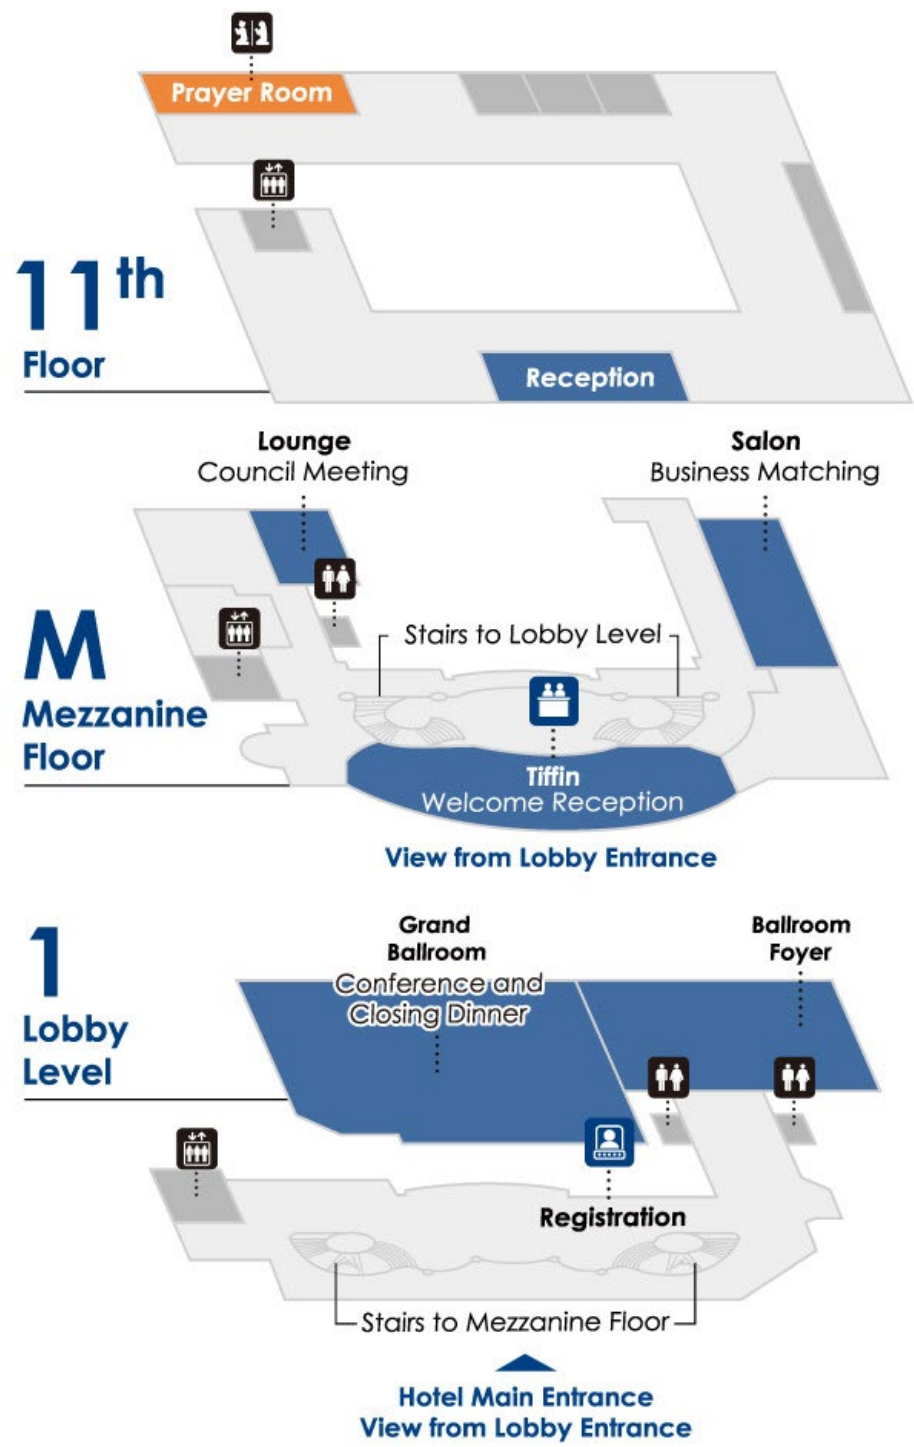

Delegate Badge Collection Process

- **Digital QR Code:** A unique, personalised QR code has been distributed upon successful registration. All fully registered delegates will receive a reminder message containing their QR code one week prior to the conference.
- **Verification:** Upon arrival at the registration counter, present your digital or printed QR code alongside a business card displaying their company name. The on-site secretariat team will verify the details and issue the physical conference pass accordingly.
- **Name Badge:** For security reasons, your official delegate badge must be visibly worn at all times during all official conference sessions, receptions, lunches, and networking dinners.

Prayer Room Information:

A dedicated prayer room is reserved on the 11th Floor (11/F) for AESIEAP CEO Conference guests in need of a quiet space for prayer. Please approach our on-site staff at the registration at 11/F or help desk for key access or assistance.

15 Sep 17:05 – 17:50	 Schneider Electric 施耐德电气	 accenture	 ORACLE

AI Innovation Booth: Explore cutting-edge artificial intelligence applications, grid optimisation tech, and smart energy solutions powering the future of the power industry.

Traditional Cultural Booth: Discover curated local travel experiences alongside live traditional craft demonstrations hosted by artisans in traditional attire. Guests can enjoy interactive sessions featuring Chinese paper-cutting, palm-leaf grasshopper weaving, and personalised Chinese calligraphy fan painting as unique keepsakes.

(Sponsored by Hong Kong Tourism Board, website: <https://www.discoverhongkong.com/eng/index.html>)

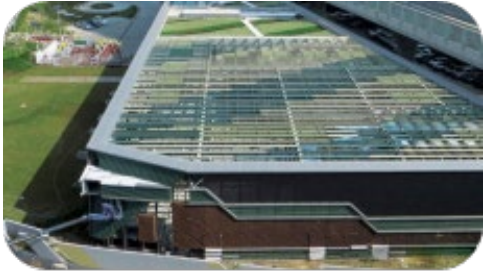

Note: All engagement activities above will be conducted concurrently, and advance planning is encouraged to facilitate smooth participation.

5. Technical Visit

Delegates are invited to join a Technical Visit showcasing Hong Kong's latest developments in power systems, smart infrastructure, and sustainable urban solutions. Participants will gain first-hand insights into innovative technologies and operational best practices through visits to leading utility and government facilities.

Route#1	Hong Kong's Innovation Frontier - Northern Metropolis
Venue	The Loop & CLP Ho To West (HTW) Substation
Gathering point and time	16 Sep 2026 8:35am Lobby Level, Grand Hyatt Hong Kong
Visit Highlight	A Visit to The Loop Innovation Hub & CLP Power Substation in Northern Metropolis, showcasing sustainable urban development. 

Route#2	Powering the City - Lamma Power Station
Venue	HK Electric Lamma Power Station
Gathering point and time	16 Sep 2026 8:50am Lobby Level, Grand Hyatt Hong Kong
Visit Highlight	A Visit to Hong Kong Electric's power generation and operations infrastructure. 

Route#3	Smart City in Action - E&M InnoZone & District Cooling System
Venue	EMSD E&M InnoZone & District Cooling System
Gathering point and time	16 Sep 2026 9:05am Lobby Level, Grand Hyatt Hong Kong
Visit Highlight	A Visit to Electrical and Mechanical Services Department (EMSD) facilities, showcasing innovative engineering solutions to accelerate smart city development.  

6. Additional Information

About AESIEAP and the 2026 Presidency

Established in 1975, the Association of the Electricity Supply Industry of East Asia and the Western Pacific (AESIEAP) is the largest and most influential non-governmental regional power industry organisation, counting over 67 member organisations spanning 18 countries and regions.

As the rotating presidency passes to CLP Power Hong Kong Limited for the 2026–2027 term, the organisation's focus centers strictly on optimising regional grids, scaling artificial intelligence solutions, accelerating decarbonisation pathways, and building an inclusive energy ecosystem.

Exploring Hong Kong

Delegates wishing to extend their stay can experience Hong Kong's famous blend of culture, culinary arts, and natural scenery. The historic Star Ferry terminal is within walking distance in Wan Chai, providing a scenic crossing to Tsim Sha Tsui. For culinary exploration, the surrounding Wan Chai district offers everything from traditional local 'dai pai dongs' and Michelin-starred dining to trendy international bistros.

Contact & Support Secretariat

For further assistance, please contact us at conciierge@aesieap.com

We look forward to welcoming you to the AESIEAP CEO Conference 2026.

Sincerely,

On behalf of AESIEAP Secretariat
